

*"A community where people live by choice... not by circumstance."*

April 21, 2016

Dear Terrie and Lisa,

Thank you so much for having taken the initiative of starting up a Facebook page. It has truly become a community-building icon and will, with your input, also be a dynamic support for the Shores of St. Ann's Bay web site.

Enclosed is a cheque for \$1,000.00 payable to Terrie Zweep from the St. Ann's Bay Development Association to cover your services as first contact for the Shores of St. Ann's Bay web site until Dec 31, responding to requests for basic information and forwarding any more demanding queries to members of the SABDA board.

Your efforts to keep an active interface between with the Facebook site, St. Ann's Bay: follow our story and the Shores of St. Ann's Bay website, will be of great benefit to both.

Sincerely

Jitka
